7. Micro Marketing Understanding

“The project is strategically located bang on NH-44 in Yelahanka, offering seamless connectivity to Hebbal, Airport, and North Bangalore’s key IT hubs.”

The project is situated at **Kogilu Cross / Palanahalli on Airport Road (NH-44), Yelahanka**. This location acts as the absolute pivot point between established North Bengaluru commercial zones and future economic hubs

Commercial Proximity: It sits directly adjacent to the new Amazon Head Office and opposite the Philips Innovation Campus and Oracle Office spaces. It acts as a primary residential feeder for Manyata Tech Park (Hebbal) and the KIADB Aerospace/Hardware Park near Devanahalli

Transit Infrastructure: Boasts a massive **415-to-450-meter direct frontage on NH-44**. It is located less than 500 meters (roughly a 1-minute walk) from the upcoming Bagalur Cross Metro Station on the under-construction Blue Line Airport Metro extension.

Social Fabric: Within a 10-to-20-minute driving radius, residents can access top-tier civic infrastructure, including international schools (Mallya Aditi, Vidyashilp), multi-specialty healthcare (Sparsh, Manipal, Brains Hospital), and retail hubs like The Galleria Mall.
