7. Micro Marketing Understanding

1. Phase 1 for the project, launched at 2015, has seen appreciation of ~100%, owing to infrastructure developments and rapid establishment of IT corridor for Chennai city on OMR, with major developments in Siruseri and ELCOT, former of which is roughly 2.5 Kms from our project location.
2. Influx of cosmopolitan crowd, ranging from IT professionals to students pursuing higher studies from across the country, has ensured the consistent need for group housing for accommodation as well as investment opportunities.
3. Upcoming Phase 2 Corridor 3 metro line which will run parallel to OMR ensures connectivity to key locations inside Chennai city.
